Subject: Re: Brian Fuller
June, 2009

To Whom This May Concern:

Brian Fuller did some extensive renovations in our condo in Honolulu, Hawaii at our Craigsid unit 406. Because we live on the Big Island, we trusted him exclusively to do the work without us being there. We were more than happy with the outcome. He was professional, he was thorough, he was an excellent contractor, and got the work done in a timely manner. We definitely would give him our highest recommendation!
